

2012 2013 lcci exam pdf

The raw mark is the number of marks a learner achieved on an exam or assessment.. The UMS mark (Uniform Mark Scale mark) or points score is a conversion of the raw mark.. For some of our qualifications, components can be taken at different times throughout the course. For example, some of our Edexcel A level Mathematics exams can be completed in the first or second year of study.

Converting marks, points and grades | Pearson qualifications

ETS is committed to advancing quality and equity in education for all people worldwide through assessment development, educational research, policy studies and more.
