Addictions and Recovery - Relapse Prevention and Coping Skills

â€œThe Addiction Recovery Skills Workbook is an excellent translation of modern science into practical skills development. From explaining the basic brain changes associated with the development of addiction to laying out a systematic path to behavioral change and recovery, Glasner-Edwards has taken the very best of addiction science and turned it into common sense and step-by-step instructions.

Overcoming Drug Addiction How to Stop Abusing Drugs, Find Treatment, and Begin Recovery. Developing a drug addiction isnâ€™t a character flaw or a sign of weakness and it takes more than willpower to overcome the problem.

Overcoming Drug Addiction - HelpGuide.org

How Science Has Revolutionized the Understanding of Drug Addiction For much of the past century, scientists studying drugs and drug use labored in the shadows of powerful myths and misconceptions about the nature of addiction. When scientists began to study addictive behavior in the 1930s, people addicted to drugs were thought to be morally flawed and lacking in willpower.

Getting Started with Medication-assisted Treatment Getting Started with Medication-assisted Treatment is a publication of NIATx made possible with funding from The Robert Wood Johnson Foundation.

With lessons from Advancing Recovery - NIATx

Addiction is a brain disorder characterized by compulsive engagement in rewarding stimuli despite adverse consequences. Despite the involvement of a number of psychosocial factors, a biological process “one which is induced by repeated exposure to an addictive stimulus” is the core pathology that drives the development and maintenance of an addiction.

Addiction - Wikipedia

Inpatient vs. Outpatient Rehab. Deciding whether to enter a residential rehab program or seek outpatient care is an important step toward sobriety.

Inpatient vs. Outpatient Treatment - Addiction Recovery

Recovery has always had a stronghold in the addiction profession and its workforce. The addiction profession, founded by individuals in recovery, laid the groundwork to provide addiction services within a recovery orientation.
