Example style guide - Technical Editors' Eyrie

A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term has other meanings.) A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

Style guide - Wikipedia

The full guide has two sections. In the first part we show you how to cite a reference in the text of your assignment, in the second part we have included instructions for each of the main source types such as books or web pages.
