

creating a language rich pdf

The literacy-rich environment emphasizes the importance of speaking, reading, and writing in the learning of all students. This involves the selection of materials that will facilitate language and literacy opportunities; reflection and thought regarding classroom design; and intentional instruction and facilitation by teachers and staff.

The Tools. First, I decided to use HTML as the templating language because it is probably the simplest way to generate structured data and allow for relatively rich formatting. I also think everyone knows (or can figure out) enough HTML to generate a simple report. Also, I don't have the desire to learn a whole new templating language.
