Market Research & Developing A Marketing Plan – Research is creating new knowledge. –Neil Armstrong-

### **Market Research Research is & Developing A Marketing Plan**

A marketing plan may be part of an overall business plan. Solid marketing strategy is the foundation of a well-written marketing plan. While a marketing plan contains a list of actions, without a sound strategic foundation, it is of little use to a business.

- A formal written marketing plan is a great way to document the planning process. It serves many purposes. First, it captures all the things you and your team have learned about the market, the competition, and your customers. This information is critical, because it becomes the supporting evidence for the strategies that you and your team decide to pursue. Second, the plan ...
