Developing the Leader Within You by John C. Maxwell

A developing country (or a low and middle income country (LMIC), less developed country, less economically developed country (LEDC), or underdeveloped country) is a country with a less developed industrial base and a low Human Development Index (HDI) relative to other countries. However, this definition is not universally agreed upon. There is also no clear agreement on which countries fit ...

2. What can we Generalize about Leadership? Some 2500 years ago Socrates argued that leadership is always situational: a leader has qualities and especially professional or technical knowledge that are specific to the

Background Notes on Leadership - World Bank

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
