Teaching ESL Grammar through Dictation Richard Kidd For a variety of theoretical and practical reasons, dictation is a promising general procedure for promoting both conscious learning and subconscious acquisition of L2 grammatical structures. Although traditional dictation tends to be rather boring, the method allows a number ...

Teaching ESL Grammar through Dictation - ERIC

Foreword Grammar Dictation differs somewhat from other books in this series. Rather than offering a range of different techniques or activities focused on a particular area of interest, it presents one central idea which is exemplified in a large number of concrete instances.
