

guided reading strategies for pdf

The semantic feature analysis strategy uses a grid to help kids explore how sets of things are related to one another. By completing and analyzing the grid, students are able to see connections, make predictions and master important concepts. This strategy enhances comprehension and vocabulary skills.

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)
