On this site, you will find tips from top safety experts on everything you need to keep kids of any age safe from preventable injuries.

### **Safety Tips | Safe Kids Worldwide**

A car (or automobile) is a wheeled motor vehicle used for transportation. Most definitions of car say they run primarily on roads, seat one to eight people, have four tires, and mainly transport people rather than goods. Cars came into global use during the 20th century, and developed economies depend on them. The year 1886 is regarded as the birth year of the modern car when German inventor ...
