Abstract. The engagement of aTcell with an antigen-presenting cell (APC) or activating surface results in the formation within the T cell of several distinct actin and actomyosin networks.

### **Annual Review of Immunology | Home**

Submission Method A journals make the final published version of all NIH-funded articles available in PubMed Central (PMC) no later than 12 months after publication without author involvement. The start date shown for each journal is the earliest publication date that meets this requirement. Enter a journal name below to see if it uses Submission Method A.

### **Determine Submission Method | publicaccess.nih.gov**

Disclaimer: 1. Care has been taken to exclude low-quality journals identified using criteria prescribed by the Committee. However, faculty and researchers are invited to draw attention of the Standing Committee on Notification on Journals to low-quality journal titles that may have been inadvertently included in the UGC-approved List of Journals.
