The Haitian Educational System yields the lowest total rate in the education realm of the Western Hemisphere. Haiti's literacy rate of about 61% (64.3% for males and 57.3% for females) is below the 90% average literacy rate for Latin American and Caribbean countries. The country faces shortages in educational supplies and qualified teachers. The rural population is less educated than the urban.

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
