The term export in international trade means the sending of goods or services produced in one country to another country. The seller of such goods and services is referred to as an exporter; the foreign buyer is referred to as an importer.. Export of goods often requires involvement of customs authorities. An export's reverse counterpart is an import

Published: Tue, 11 Jul 2017 China is one of the major fastest growing markets in the world and the most popular markets for foreign entrants. One of today's major business challenges requiring logistics insight is the dramatic growth in international sourcing, mainly to low cost countries such as China and Malaysia (David J.Closs, 2005).
