The instructions reference gray and black lines, but when I look at (and print) the pdf template, all the lines are the same color. I see from the photo the score lines you highlighted in yellow, but on the lower sides of the heart, am I correct that you score all horizontal lines and cut all vertical lines?

The Google Search Appliance was a rack-mounted device that provided document indexing functionality. The operating system is based on CentOS. The software is produced by Google and the hardware is manufactured by Dell and the final 2009 version was based on Dell's PowerEdge R710. Google announced the phase out of the appliance in early 2016 and a complete discontinuation by 2019.
