

money money money the pdf

Money is any item or verifiable record that is generally accepted as payment for goods and services and repayment of debts, such as taxes, in a particular country or socio-economic context. The main functions of money are distinguished as: a medium of exchange, a unit of account, a store of value and sometimes, a standard of deferred payment. Any item or verifiable record that fulfils these ...

Money laundering is the act of concealing the transformation of profits from illegal activities and corruption into ostensibly "legitimate" assets. One problem of criminal activities is accounting for the proceeds without raising the suspicion of law enforcement agencies. Considerable time and effort may be put into strategies which enable the safe use of those proceeds without raising ...

This is another post from the Suggest a Topic page, and while the original comment had a lot of questions about the overall functioning of an economy, I thought Iâ€™d take one question from it, and try and answer that in a post.. Why canâ€™t a country print money and become rich? A lot of people have this misconception that a countryâ€™s currency is backed by the gold it holds.
