My paper is titled "Advocating the value of museums". It is directed towards all of you who argue, influence and plead the case for museums to bureaucrats and funders who, themselves, are seeking a ... concept of Public Value and the role of public institutions in its creation and maintenance. Initially discussed by Mark Moore (1995) and ...

The ultimate purpose of my research is to explore the concept of public value in relation to art museums. The intention of the exploratory case study is to examine how public value is defined, articulated, and addressed

(i.e. how it manifests) in a public art museum, and to determine its utility in the strategic planning process.

I am proud to present Exhibiting Public Value: Government Funding for Museums in the United States, the first-ever comprehensive examination of the ways in which government at all levels support the museum sector. Since I was appointed Director of the Institute of Museum and Library Services in 2006, I have been encouraged to see the
