Elementary school is a school for students in their first school years, where they get primary education before they enter secondary education. The exact ages vary by country. In the United States, elementary schools usually have 6 grades with pupils aged between 6 and 12 years old, but the age can be up to 10 or 14 years old as well. In Japan, the age of pupils in elementary school ranges from ...

Exercises at Grammar Bytes!

A grammar school is one of several different types of school in the history of education in the United Kingdom and other English-speaking countries, originally a school teaching Latin, but more recently an academically-oriented secondary school, differentiated in recent years from less academic Secondary Modern Schools.. The original purpose of medieval grammar schools was the teaching of Latin.
