The National Football League (NFL) is a professional American football league consisting of 32 teams, divided equally between the National Football Conference (NFC) and the American Football Conference (AFC). The NFL is one of the four major professional sports leagues in North America, and the highest professional level of American football in the world.

National Football League - Wikipedia

Throughout its history, the National Football League (NFL) and other rival American football leagues have used several different formats to determine their league champions, including a period of inter-league matchups determining a true national champion.. Following its founding in 1920, the NFL first determined champions through end-of-season standings, but switched to a playoff system in 1933.
