In this report, we analyze the Governor's higher education budget proposals. We begin by providing an overview of higher education in California. In the next four sections, we analyze the Governor's budget proposals for the three public higher education segments and the California Student Aid Commission. In each of these sections, we provide relevant background, describe and assess the ...

A scale model is most generally a physical representation of an object, which maintains accurate relationships between all important aspects of the model, although absolute values of the original properties need not be preserved. This enables it to demonstrate some behavior or property of the original object without examining the original object itself.
