Early life. Cullen was born in West Orange, New Jersey, and was the youngest of eight children. His father, a bus driver, was 58 years old at the time of Cullen's birth and died when he was seven months old. At age nine, Cullen, who has described his childhood as miserable, made the first of many suicide attempts by drinking chemicals from a chemistry set.

The train took us to the maker's bench, and we laid out our son's body, chest open. Tonight the maker would give him a mainspring and wind him for the very first time. "Should we name him now, or after we've gotten to know him?" My parents had waited to name me until my second day, because they wanted to be sure the name would fit.

We view Donald Trump's ascendancy to the Presidency of the U.S. as confirmation of a political and economic paradigm shift that started with Brexit but is likely to continue for the foreseeable future, including elections across Europe in 2017. Consistent with this view, we believe that there are four major potentially secular changes that all investment professionals must consider: fiscal ...
