A different answer comes to my head. It's a portable document format, as the name says. Sure, books are documents, although not all documents are books. If the document contained in your pdf is a book, than yes, it's a portable document as well as a electronic book. The point is: this is all verbal masturbation.

judging who is a follower and who is not. The quickest way to shut down the authenticity in this group is for us to start judging each others lives. This study is not about making others to be better followers but about each of us individually challenging ourselves. So let's avoid any hint of judgment. Agreed? OK, good.
