numerology for every one pdf

Numerology is any belief in the divine or mystical relationship between a number and one or more coinciding events. It is also the study of the numerical value of the letters in words, names and ideas. It is often associated with the paranormal, alongside astrology and similar divinatory arts.. Despite the long history of numerological ideas, the word "numerology" is not recorded in English ...

Got this little book for a great price. This book is pretty much a numerology and color book. This book shows you how to figure out your number and what type of personality say for example if you are a number 2 what types of personality you may have. There is also a kindle version of this book as well and am thinking about getting the kindle version. This book also mentions personal year or day of ...
