The 31 Planes of Existence - Buddhism

The existence of God is a subject of debate in the philosophy of religion and popular culture.. A wide variety
of arguments for and against the existence of God can be categorized as metaphysical, logical, empirical, or
subjective. In philosophical terms, the question of the existence of God involves the disciplines of
epistemology (the nature and scope of knowledge) and ontology (study of the ...

Meditations On First Philosophy

Ontology is the philosophical study of being. More broadly, it studies concepts that directly relate to being, in
particular becoming, existence, reality, as well as the basic categories of being and their relations.
Traditionally listed as a part of the major branch of philosophy known as metaphysics, ontology often deals
with questions concerning what entities exist or may be said to exist ...
