Corrections to the First Printing of the Publication Manual. of the American Psychological Association, Sixth Edition (July 2009) We would like to take this opportunity to thank everyone who has written to APA with

Corrections to the First Printing of the Publication Manual

APA style is a writing style and format for academic documents such as scholarly journal articles and books. It is commonly used for citing sources within the field of social sciences. It is described in the style guide of the American Psychological Association (APA), which is titled the Publication Manual of the American Psychological Association. The guidelines were developed to aid reading ...
