Market Analysis for Real Estate, 2nd Ed + The Appraisal of

Market analysis is essential to real estate appraisal, and only an experienced, trained valuation professional can provide the type of in-depth study required to identify the supply and demand for a class of property in a specific market and assess the marketability of a unique property in that market.

Market Analysis for Real Estate, Second Edition, Print

A detailed market analysis is key to any real estate investment decision. Even though the financial projections have far more impact in management and investment decisions, market analysis is behind each and every number in the financial statements.

Getting Started with Real Estate Market Analysis

A real estate market analysis " or a comparative market analysis (CMA) " is a study of the current market values of properties, comparable to yours, which serves as a tool for determining the market value of your own property. Be careful, this is different from an appraised value, which can be provided only by a licensed appraiser, and thus ...
