Defense Institute of Security Cooperation Studies

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world.

About this Collection | Country Studies | Digital

1 Introduction Elections allow the populace to choose their representatives and express their preferences for how they will be governed. Naturally, the integrity of the election process is fundamental to the integrity of democracy

Analysis of an Electronic Voting System

The libertarian idea of society without a state appeals to many people, but, however enticing the idea, it is often dismissed as utopian. How could an anarchist society defend itself against large, centralized states? Defense, it has been alleged, cannot be adequately supplied by the free market. It ...
