The Basis of Human Moral Status I. The Speciesism Challenge Many people believe that all human beings have the same, basic moral status, that is, that they are all rightholders. For example, this belief is encapsulated in the Universal

### **The Basis of Human Moral Status - S. Matthew Liao**

'This is an engagingly written book that tackles a topic of vital interest not only for moral philosophers but also those having general academic, law and policy-making concerns with the status of children and the role of the family.

### **Moral Status and Human Life by James G. Dwyer**

the equal moral status of all humans, because the mental capacities that figure in this appeal vary by degree, and just as humans tend to be more capable than bonobos and chimps and gorillas, some humans tend to be more capable than other humans.

### **WHAT, IF ANYTHING, RENDERS ALL HUMANS MORALLY**

PDF | Illustrates how assigning roles and labels has a profound effect on ethical decision making by typifying the roles assigned to mice by a research laboratory. The good mice (used in research ...

moral standing, (moral/potential) personhood and other cognate terms such as moral status, moral considerability and membership in the moral community, but that we ought to. My view is that such talk (hereafter "moral status talk"), in general, affects the debates about the ethics of marginal cases with imprecision and confusion, and that therefore we

### **THE STATUS OF MORAL STATUS - University of St Andrews**

1. The Moral Considerability of Animals. To say that a being deserves moral consideration is to say that there is a moral claim that this being can make on those who can recognize such claims.

of the moral status of the embryo but rather between moral liberalism and absolutism. In conclusion a pro-choice account of the status of the human embryo acknowledges the uncertainty and disagreement at the heart of the matter and asks that we desist from seeking agreement where

### **The moral status of the human fetus: a pro-choice approach**

that the problem of the moral status of abortion is insoluble, in that the dispute over the status of the fetus is not a question of fact at all, but only a question of how one responds to the facts.

### **On the Moral and Legal Status of Abortion - Au Coeur**

Regardless of the details, on all such proposals, the requirement of treating a being as if it had FMS, or some other degree of moral status, to avoid bad consequences is not equivalent to that being's having this moral status: while the reasons adduced might indeed be good reasons to treat the being as if it had the requisite moral status, these reasons are not for the sake of that being, but rather for the sake of other beings.

### **The Grounds of Moral Status (Stanford Encyclopedia of**

In a Panglossian "best of all possible worlds," the codes of morality are simple as well as just, but in reality, those interested in moral philosophy soon find themselves treading murky waters. This simple fact is as true when contemplating the moral status of animals as it is when making moral decisions that pertain to people.
