All of the songs in this songbook require the skill to play single notes (the ability to play only one note at a time). Because I consider playing single notes an intermediate level tech-nique, even the simplest kids' songs will be rated at an intermediate level (essentially, I don't consider playing songs a beginning level skill).

for most two-chord or three-chord songs. The purpose of this omission is to provide the student with the opportunity of learning to determine which chord to use at each point of the song, quickly and automatically. For more difficult songs, I indicate some of the chords, and for some songs, I provide chords for the entire song.
