### **Where did the N-word come from?**

In a large-scale 2000 study in Britain, the n-word showed the greatest increase in severity among all taboo words listed, moving from the 11th position in 1998 to fifth in 2000.

### **How the n-word became the new f-word - The Washington Post**

LESSON PLAN: WHAT'S IN A NAME? OVERVIEW: Students consider the extent to which name-calling is a part of their lives and the damage that can be done by the names they use so casually. They are asked to complete written reflections about their experiences with name-calling and to read articles about the history

and usage of common slurs.
