representations of rituals in a landscape setting show watery environments, in most cases probably depicting the delta. The delta landscape was much more enveloping, and the perspective of those travelling within it, on water or land and as ritual actors or observers, lacked the relief and visibility of Upper Egypt.

Indeed, the jargon of archaeology often leaves me, a retired but still active archaeologist, speechless with frustration. But once in a blue moon, terms coined in the Ivory Towers do manage to filter into informed general writing, if not into pub lunchtime banter. And “ritual landscape”™ is one of these.
