Marshall Poe has written a stimulating essay on Russian history whose intent is, in the best (historical) sense of the word, contentious. The term "moment" fits both his approach to his subject, and the characteristics that he attributes to that "Russian moment" of world-historical importance.

The Russian Moment in World History (review) - Project MUSE

The Russian moment hinges upon whether it can be a clear model for such an outlook. At present, she is succeeding, and events around the world are paving the way for Russia to reap the rich and bountiful harvest that comes with being at the forefront of a global paradigmatic shift.
