Western Growers Foundation, California School Garden Network The California School Garden Network "a program of Western Growers Foundation and a 501c(3) " is an organization whose members represent a variety of state agencies, private companies, educational institutions, and nonprofit

Gardens for Learning - The Collective School Garden Network

Like all great endeavors, gardening is both a science and an art. Whether you're growing carnivorous plants, cash crops, or giant pumpkins or even if you're just trying to keep a few houseplants alive see how the plants we tend feed our bodies, our minds, and our senses.
