Garden State Sheep Breeders 24th Annual Sheep and Fiber

Much like other species, market sheep should represent the current industry trends. Lambs should be big footed, heavy boned and offer an abundance of base width.

K-State Sheep Project Guide - For Your Information

represent breeders of American Blackbelly sheep that are considered domestic agriculture and we will help you defend this position with your DNR. We believe that lumping all American Blackbelly sheep into the "wild/exotic" category simply because some of these animals are

Blackbelly Sheep "Domestic, Exotic, or Wild

However, sheep shows and sales are big business in the U.S. and, since the early 1800s, producers have depended on these events for exhibiting breed quality characteristics, establishing new breed standards, and merchandising seedstock. Most major sheep shows and sales are regional or national, and feature as many as 10 different breeds.
