a snapshot survey to quickly gauge current practices regarding the prevalence and design of on-site clinics. WorldatWork invited all Premier members and non-members to participate through messaging

Quick Survey: On-Site Clinics - worldatwork.org

This survey sought to gain a snapshot into the daily lives and struggles of both recently arrived Rohingya refugees and longer-term refugee residents. Though this study cannot be used to derive generalities for the populations of both camps, it gives a strong indication of the daily struggles the residents of both camps face.
