

the technique of fiction pdf

classic books on technique are Percy Lubbock's *The Craft of Fiction* and E. M. Forster's *Aspects of the Novel*. But, in recent years, other fiction writers such as Eudora Welty, Flannery O'Connor, Jorge Luis Borges, and John Gardner have written on technique with new and interesting insights. The practitioners themselves remain the best analysts.

Technique is one of the basic requisites of a literary writing. It is the bounded duty of a writer to use it in his work to make it meaningful and relevant. If there is no technique, there is no art, and hence no life. All the three are interrelated. So, technique is a kind of narrative in telling a story.
