In the years before World War I, when men "courted" women, they pursued only women they intended to marry. In the 1920s, however, casual dating became increasingly accepted. Even so, a double standard—a set of principles granting greater sexual freedom to men than to women—required women to observe stricter standards of behavior than men did.

culine females. That was not my original attention. Butch women are fascinating too, and I have studied them. There are many analogies between very masculine women and very feminine men, but there are also important differences. Butch women are not simply the opposite of femme men. Rather than attempting to force them together, I decided to focus on males.
